

Important Instructions!

6-Finger Duster Glove

- **Unique 6-finger glove fits either hand. Use one on each hand for increased productivity.**
- **To use on left hand, remove small thread holding 6th finger to 5th finger.**
- **Specially treated with paraffin to attract and remove dust like a magnet.**
- **A single stroke of the glove removes dust even in hard-to-reach crevices.**
- **Hundreds of cotton threads grab dust and hold it until you shake it off. The thick layer of threads creates a cushioned glove to protect hands and fingers from sharp edges.**
- **Home Applications: Great for dusting furniture, banisters, venetian blinds, the tops of televisions, refrigerators, and appliances – anywhere that large amounts of dust collect.**
- **Vehicle Applications: Perfect for exteriors of autos, SUV's, and RV's. Safe on clear coat automotive finishes. Dusts the dashboard and interior fast! The glove can also be used as a wash mitt with soap and water.**
- **Pet Applications: Handy for wiping up pet hair, dust balls, and pet fuzz.**

CARE OF PRODUCT

- **To clean, hand wash in cold water with mild detergent and air dry.**
- **Do not use bleach!**
- **Do not wash in washing machine!**
- **Endust or a similar product can also be used with the Duster Glove.**
- **The duster glove actually works better & better as it gets dirty. Simple shake or tap the glove to remove excess dust and dirt.**
- **Only wash the glove when really dirty.**
- **Store in a plastic bag to minimize airborne dust between use.**
